# Shree Keshav Buildtech Private Limited

<https://www.skbestates.com/>

We are making ecofriendly Secound HOMES in Nainital, Bhowali, Amritpur, Alwar etc. which are away from hustle bustle of urban life but close to nature. We select projects in beautiful hills, on banks of river or sites close to nature.

## About Us

We, **Shree Keshav Build Tech Private Limited** are a recognized business group which is associated with the **Development of Land & Infrastructure, Construction and Allied Business**. We also offer both short-term as well as long-term accommodation services. All the residential projects are made according to the clients requirements. We are endured with a complete project of residents and apartments based in **Manali, Ranikhet, Delhi and Greater Noida**. Keeping the extravagant needs and luxurious comfort of people in mind we set up our project. Besides, we are also presently working on the construction and plotting project of Cottages, Villas and Plots based in the cities of **Uttaranchal, and Farm Land & Farm Houses in Alwar District (Rajasthan)**. We have selected **Nainita-Bhimtal, Almora** for our ongoing projects. Apart from, we will launch another project in Uttaranchal in near future. Utilizing the beautiful landscape and healthy atmosphere we set up our projects. Under the dynamic leadership and keen business sense of our promoter we are capable of growing consistently and stand ahead of our competitors in the market.
